1a Amounts Disbursed

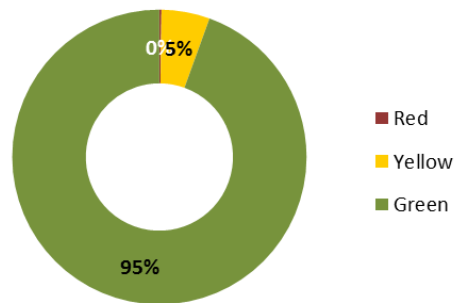

1b Performance of Active and Completed Projects

Performance of the Active Technical Assistance Portfolio as of December 31, 2013*

By Operations

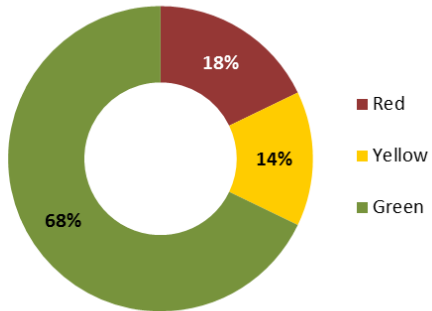

By Approved Amount

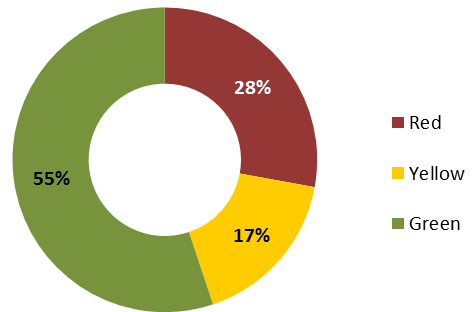

*Based on projects with published Project Status Reports

*Performance of Active Financial Portfolio as of December 31, 2013**

By Operations

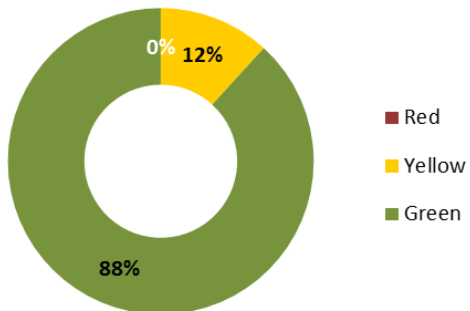

By Amount Outstanding

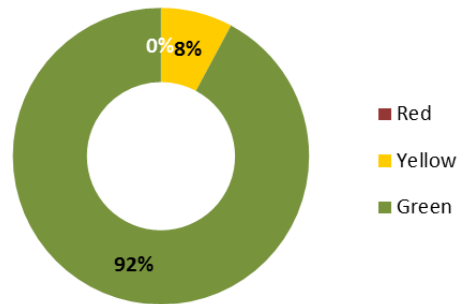

*Based on loan and equity project's Annual Supervision Reports. Active financial operations are those that have reached a first disbursement and have not been fully repaid.

*Performance of Technical Assistance Projects Completed in 2013**

By Operations

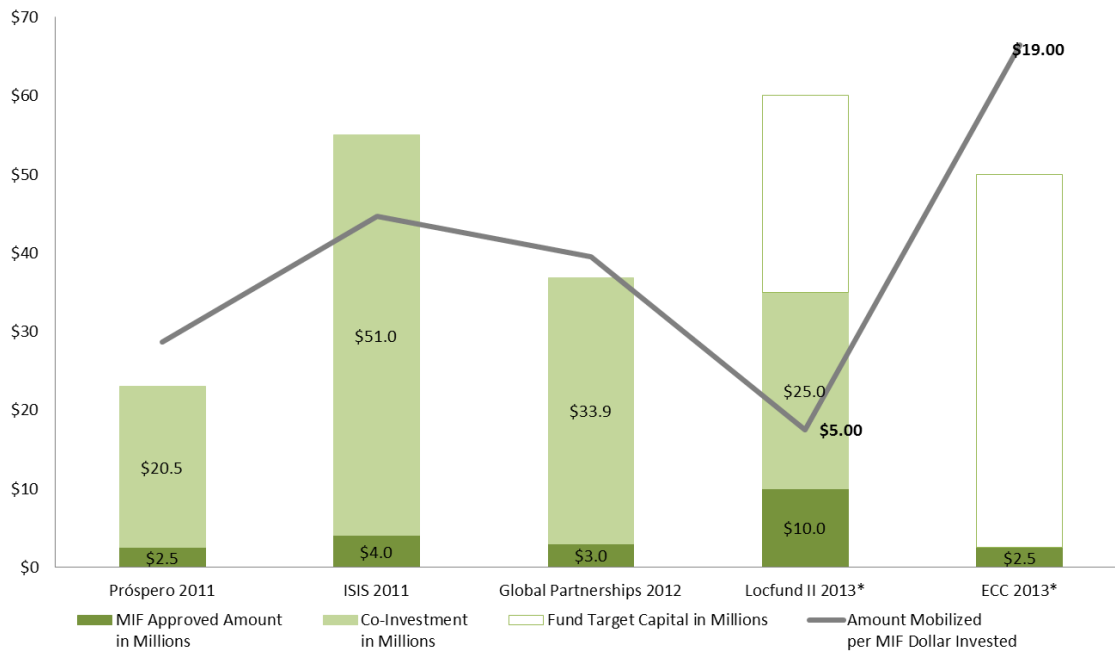

By Approved Amount

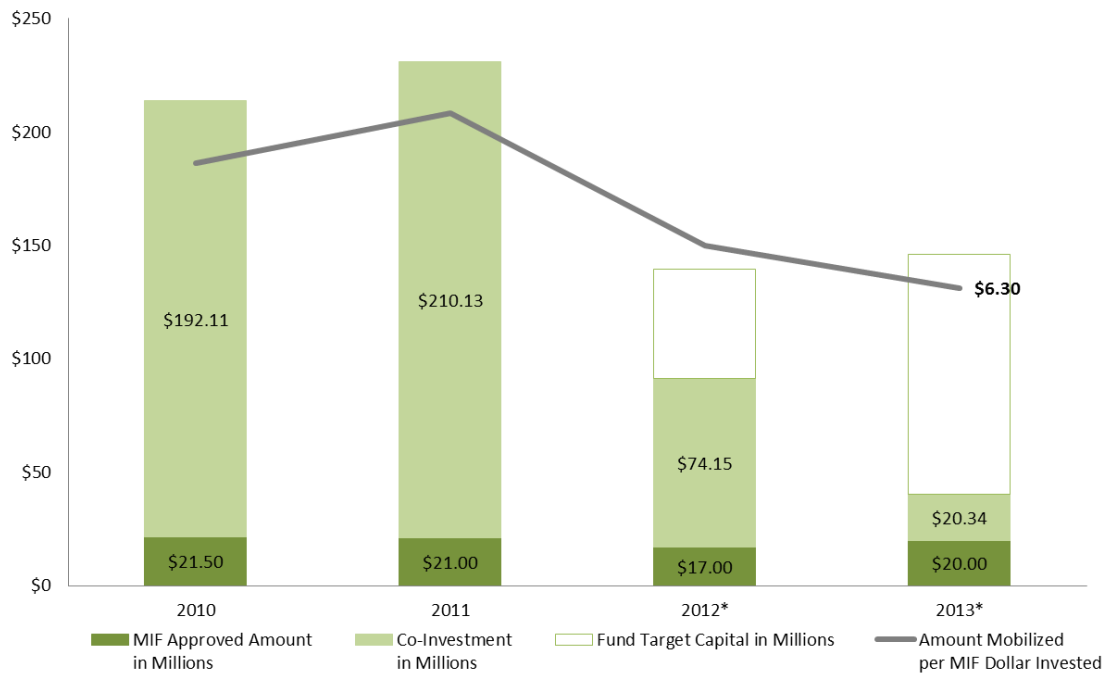

*Based on projects with published Project Status Reports

1c Resources Leveraged

Resources Leveraged through the Last Five Micro and Small Business Financing Funds

Resources Leveraged Annually through Early Stage Equity

*Operations approved in 2012 and 2013 are still fundraising. For operations that have not yet reached a first close, the amount mobilized is a projection based on the fund's target capitalization listed in the project's donors memorandum.
