Red arrows point to the checkbox and the 'Create your account' button.

- Once you have finished the process, you will receive a confirmation email with a link to activate your account.

2 Registering for the course

To register for edX courses, we recommend that you use the most recent versions of one of the following web browsers: **Chrome, Firefox, Safari, or Internet Explorer (version 9 or later).**

1. Click on the link <https://www.edx.org/course/project-management-techniques-idbx-idb6-1x>
2. Register for the course by clicking the “**Enroll now**” option at the top right of the course start page.

3 Begin studying

After the previous step, click the “**Sign in**” option located at the top of the page that appears and enter your edX account number.

Once you are there, you can choose the **Verified Certificate** option (cost: US\$ 25), which verifies that you passed the course, or you can choose **Audit the class (does not include the certificate)** to participate in the class at no charge. You're ready! Now you can begin the class.

Good luck and if you have any other questions, please contact us at the following email address: idx@iadb.org.
