

4th Annual Conference of the LACEA Trade, Integration and Growth Network (TIGN)

Universidad de San Andrés
Buenos Aires, April 12th -13th, 2013

The 4th Annual Conference of the LACEA Trade, Integration and Growth Network (TIGN) will be held in Buenos Aires, Argentina, on April 12th-13th, 2013. This conference is sponsored by LACEA, the Inter-American Development Bank (IDB) and the CAF-Development Bank of Latin America (CAF), and is organized by the Universidad de San Andrés, Argentina. The local organizers are Facundo Albornoz, Roberto Bouzas, and Juan Carlos Hallak.

The TIGN conference is a unique event that brings together top researchers and policymakers to discuss recent theoretical and empirical advances in trade and integration and growth broadly defined. The goal of these meetings is to use the findings of research in order to gain a better understanding of the problems, opportunities and policy challenges faced by Latin American and Caribbean countries in the process of integration and also to encourage further research on the subject.

This year selection of contributed papers and discussants will be made by a Program Committee whose members are Facundo Albornoz (University of Birmingham and Universidad de San Andrés), Marcela Eslava (Universidad de los Andes), Antoni Esteveordal (IDB), Juan Carlos Hallak (Universidad de San Andrés), Thierry Mayer (Science Po), Pablo Sanguinetti (CAF), and Christian Volpe Martincus (IDB).

Theoretical, empirical, and policy-oriented papers dealing with the economics and politics of trade and Regional Trade Agreements (RTAs) as well as those linking trade and RTA initiatives with growth and productivity are welcome.

Sponsoring organizations offer hotel accommodations and a round-trip economy class (most direct) airfare. Researchers currently occupying policymaking positions are welcome to participate at the conference without presenting a paper. These participants will, however, have to procure funding from their own institutions to participate in the event.

To register for the conference and submit a paper, please visit the conference website (<http://www.iadb.org/en/topics/trade/call-for-papers/home,7302.html>) and follow the instructions therein. Deadline for submissions is January 15th, 2013. Authors of selected papers and discussants will be notified by January 25th, 2013.
