Link to TC document: <https://www.iadb.org/pt/project/BR-T1394>

The Inter-American Development Bank (IDB) is executing the above mentioned operation. For this operation, the IDB intends to contract consulting services described in this Request for Expressions of Interest. Expressions of interest must be delivered using the IDB Portal for Bank Executed Operations (<http://beo-procurement.iadb.org/home>) by: *May 14, 2021*, 5:00 P.M. (Washington D.C. Time).

The consulting services (“the Services”) include *the utilization of the 3V Framework Readiness Assessment Tools to assess TOD potential along the Transcarioca corridor, between Penha (train station) and Vicente de Carvalho (metro), and the central area of the city. The consultancy will help to better understand the economic environment in which the City can plan for TOD, and to develop specific strategies related to the types and intensities of uses that are appropriate for the specified scale and context. The study must support the desired outcomes of TOD, including: (i) Create transit-supportive densities that provide an optimal ridership base for the City; (ii) Create a variety of mixed use, mixed-income neighborhoods and greater employment opportunities within easy access of stations; (iii) Provide supporting infrastructure as needed; (iv) Create opportunities for non-fare revenue generation through land value capture and available public financing mechanisms.*

Eligible consulting firms will be selected in accordance with the procedures set out in the Inter-American Development Bank: [Policy for the Selection and Contracting of Consulting firms for Bank-executed Operational Work](#) - GN-2765-1. All eligible consulting firms, as defined in the Policy may express an interest. If the Consulting Firm is presented in a Consortium, it will designate one of them as a representative, and the latter will be responsible for the communications, the registration in the portal and for submitting the corresponding documents.

The IDB now invites eligible consulting firms to indicate their interest in providing the services described above in the [draft summary](#) of the intended Terms of Reference for the assignment. Interested consulting firms must provide information establishing that they are qualified to perform the Services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Eligible consulting firms may associate in a form of a Joint Venture or a sub-consultancy agreement to enhance their qualifications. Such association or Joint Venture shall appoint one of the firms as the representative.

Interested eligible consulting firms may obtain further information during office hours, 09:00 AM to 05:00 PM, (Washington D.C. Time) by sending an email to: [JHOBBS@iadb.org](mailto:JHOBBS@iadb.org) or [PVAL@iadb.org](mailto:PVAL@iadb.org)
