Abstract: Consulting Services – Individual Consultant to Conduct an Independent Intermediate Evaluation of the Climate Vulnerability Reduction Program

Loan No.: Loan BL-L1028 - 4426/OC-BL

Deadline: **4:00 pm (Belize Local Time) August 7th, 2020**

The Government of Belize (GOB) has received financing from the Inter-American Development Bank (IDB), and intends to apply part of the proceeds under the project Climate Vulnerability Reduction Program (CVRP), for an Individual Consultant to conduct an independent intermediate evaluation of the Climate Vulnerability Reduction Program.

The Consultant should have a minimum of a Master's Degree in Civil Engineering, Economics, or Project/Construction Management with at least 15 years of experience in the construction sector, and five years of experience in the development, analysis and evaluation of international development projects. Post Graduate Certificate/Diploma or PhD will be considered an asset. The consultant should have experience in flood control works in coastal areas, and disaster risk management. The consultant should also have demonstrated experience in the planning, management and evaluation of projects, and be fluent in English. The Consultant will be contracted for a period of thirty non-consecutive days within a period of three (3) calendar months commencing October 2020.

A Consultant will be selected in accordance with the Comparison of Individual Consultant's Qualifications method in accordance with the procedures set out in the Inter-American Development Bank: [Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank](#) GN-2350-9 and is open to all eligible consultants as defined in the policies.
