## PROCUREMENT OPPORTUNITIES

### PROJECT PROCUREMENT

The IDB provides funding to its borrowing member countries in Latin America and the Caribbean for a broad range of loans and development programs. These operations involve procurement processes that generate between 20,000 and 30,000 contracts each year for eligible firms and individuals that supply goods, works and consulting services.

### CORPORATE PROCUREMENT

The Inter-American Development Bank, through its Administrative Services and Corporate Procurement Division, purchases a broad array of goods and services to meet its internal needs.

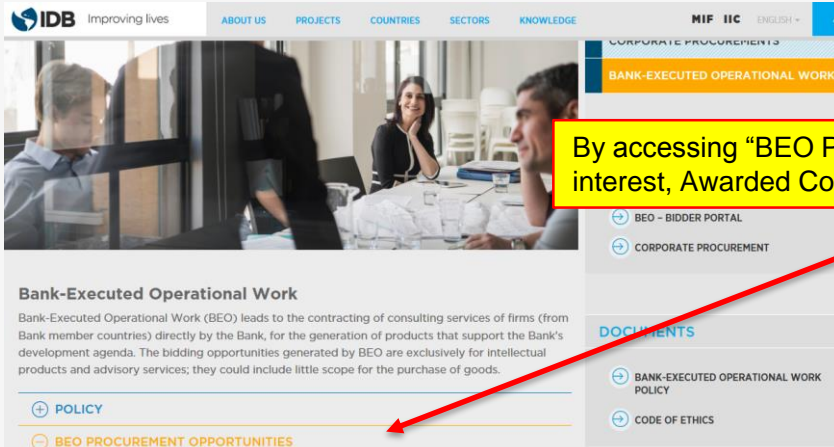

### BANK-EXECUTED OPERATIONAL WORK

Consulting firms services for Bank-Executed Operations (BEO) are of intellectual and advisory nature, with a limited budget for the purchase of goods.

By accessing “BEO Procurement Opportunities” you will be able to review Expressions of interest, Awarded Contracts, Closed Procurement Opportunities and Log-in into the BEO Portal.

**Bank-Executed Operational Work**

Bank-Executed Operational Work (BEO) leads to the contracting of consulting services of firms (from Bank member countries) directly by the Bank, for the generation of products that support the Bank's development agenda. The bidding opportunities generated by BEO are exclusively for intellectual products and advisory services; they could include little scope for the purchase of goods.
