

NOTICE OF CONTRACT AWARD

RE: Selection #: RG-E1577-P002
Selection Method: SSS
Sector: CSD/CCS
Country: Regional
Financing ATN #: RG-E1577
Description of service:

Conduct an in-depth analysis of the main measures implemented and/or currently discussed by central banks and financial regulators in the incorporation of green finance instruments and climate-related risks in the management of financial system resilience, as well as of the transition to an environmentally sustainable economy. To achieve this objective, the consultant will conduct a qualitative research through literature review and an in-depth analysis in selected case studies in order to document the background of the financial system, to examine the initiatives conducted as part of the climate resilience building in the system and to analyze the lessons learned as well as identify potential advantages and challenges in the implementation of those actions in the LAC's context.

The aforementioned selection process has been completed and the contract has been awarded as follows:

Firm name: Council on Economic Policies (CEP).
Firm country: Switzerland
Contract Value: USD\$20,000
Date of award/contract date: August 20,2018
