

NOTICE OF CONTRACT AWARD

RE: **Selection #:** RG-T2942-P001

Selection Method: Single Source Selection

Sector: Climate Change and Sustainability

Country: Regional

Financing ATN #: ATN/AG-16106-RG

Description of service: The consultancy firm will be hired to support the public and private sectors in reducing deforestation while strengthening low carbon agriculture production in Colombia (Meta), Brazil (Para), and Argentina (Salta/Jujuy), by developing and disseminating analysis and case studies that (i) increase sustainable and climate resilient productivity of targeted value chains; (ii) increase access of these value chains to regional and global markets and (iii) support policy change and an enable regulatory environment to promote landscape conservation activities while fostering the public and private dialogue in this context.

The consulting team will agree with the IDB on the methodology for the case studies and related workshops.

The aforementioned selection process has been completed and the contract has been awarded as follows:

Firm name: The Nature Conservancy (TNC)

Firm country: United States

Contract Value: \$715,000

Date of award/contract date: 05/10/2017

Thank you,

Juliana Almeida

Climate Change Division (CCS)
