

## NOTICE OF CONTRACT AWARD

---

**RE:** **Selection #:** RG-X1258-P011 Design and Development of a web-based Information System for the registration and monitoring of energy efficiency (EE) projects financed by National Development Banks (BND) and developed under the Standard Modality (ME) or the Savings Insurance Program of Energy (ESI).

**Selection Method:** Single Source Selection (SSS)

**Sector:** IFD/CMF

**Country:** Brazil

**Financing ATN #:** ATN/CF-15453-RG

**Description of service:** The main objective of this consultancy is to provide a platform that serves as a registration, control and monitoring tool for ME or ESI projects that are financed with the NDBs' energy efficiency credit lines. The system should facilitate the agile collection and management of technical data of the projects and the rapid taking of actions by the entities that participate in the transactions for the granting of the credits and if this is the case for the verification of energy savings and emission of Insurance.

The aforementioned selection process has been completed and the contract has been awarded as follows:
