

Terms and Conditions

The use of this [map](#) by the Inter-American Development Bank ("IDB") is governed by the terms and conditions mentioned below. By using the map, you accept these terms and conditions and the modifications that the IDB makes of them and publishes on the map.

The IDB maintains the map exclusively for informational purposes. Users can download, copy and reprint map information for non-commercial purposes, subject to the terms and conditions contained in the materials expressly attributed to third parties, provided that the IDB is mentioned as the source of the material from which they originate. Users will not be able to place "frames" around the material from the map without the express written authorization of the IDB.

The content of the materials expressly attributed to or identified as produced by third parties is the property and responsibility of those third parties, and not the IDB. The use of these documents is subject to the conditions contained in them, if applicable.

This map also contains links to other websites and information that is not under the control of the IDB. The IDB offers these links and any other information as a service to the user of its map, and is not responsible for their content. The presence of a link does not mean that the IDB approves or supports its content.

At no time is any recommendation made to contract any service or application described on the map. Its purpose is simply informative. All information published on the map is provided in the terms in which it is formulated, without express or implicit guarantee of any kind, which includes, without limitation, guarantees of merchantability, adequacy, observance of standards or requirements or applicability for a determined purpose. The users of the map assume exclusively the risk for its use. The IDB does not guarantee in any way the accuracy, completeness or timeliness of the material published on the map and, under no circumstances, including, without limitation, negligence, will the IDB be responsible for any direct or indirect accessory expenses or damages, special or by way of consequence, which is incurred by virtue of its use, including expenses or damages arising from communication failures and / or computer malfunctions, linked to the use of the map. Information referring to a certain date is provided exclusively on that date, and the IDB assumes no obligation to update any material on the map. The IDB is empowered to periodically expand, modify, improve or update the material published on the map, without notice, and reserves the right to limit or stop publishing the map or deny, without notice, access to the same to any user.

Furthermore, links, references to other websites, maps and any other information of a similar nature found on this site are for consultation purposes only, and may not have been prepared or are suitable for legal engineering, surveying or any other purpose and / or specific use. Although the IDB tries to provide accurate data, the information available on the map may use data resources from other sources, including public sources. As such, the IDB does not guarantee or

declare that any information is free of errors, omissions and / or positional inaccuracies. Borders, colors, denominations, or any other information displayed on any map or otherwise cannot be interpreted as an opinion on the legal status of any territory, nor as acceptance of such borders.

As a condition of using the map, the user agrees to indemnify the IDB before and against each and every one of the actions, claims, losses, damages, obligations and expenses (including reasonable legal fees) emanating from the use of the map by part of the user, which includes, without limitation, any claims alleging facts that, if true, would represent a violation by the user of these conditions. If the user is not satisfied with any material published on the map, or with any of its conditions of use, the only and exclusive resource available to that user is to stop using the site.

Nothing published on the map or any material that appears on it may be interpreted, expressly or implicitly, as an investment recommendation. The IDB is not a registered institution under the United States Investment Advisers Act of 1940. Accordingly, nothing contained on the map or any material contained therein constitutes an offer or invitation made by the IDB or its name, aimed at the acquisition or sale of securities, nor should it be considered as investment advice.

All material relating to IDB financial instruments must be read in conjunction with the relevant offer document or prospectus, and with any supplements applicable thereto. The IDB financial instruments mentioned here may not meet the requirements for sale in certain jurisdictions or to certain persons, or may be subject to other restrictions. Investors considering purchasing IDB financial instruments should consult their own financial, legal, and tax advisers for information on those instruments; on the risks and investment considerations arising from an investment in those securities; on the appropriate instruments to analyze that investment; and on the suitability of that investment in the specific circumstances of each investor.

The opinions and conclusions of the respective authors or compilers contained in the map are not necessarily those of the IDB or its member countries. Unless otherwise indicated, the material published on the map is the property of the IDB and is subject to the copyright, trademark, and other intellectual property laws of the United States of America and other jurisdictions. All use of the site is subject to those laws.

These terms and conditions will be governed, interpreted and enforced in accordance with the provisions of the legislation of the District of Columbia, United States of America, except for the provisions of that jurisdiction regarding conflict of laws. All legal action regarding the content of the map must be brought in federal courts with seat in Washington, D.C. Any waiver by the IDB of any provision of these conditions will be invalid, unless stipulated in writing, signed by its duly authorized representative.

Nothing contained in the map shall constitute or may be considered a limitation of, or a waiver of, the privileges and immunities of the IDB, which are specifically reserved.
